

# Student's Manual Guide for TDBC E- Learning Portal Handling

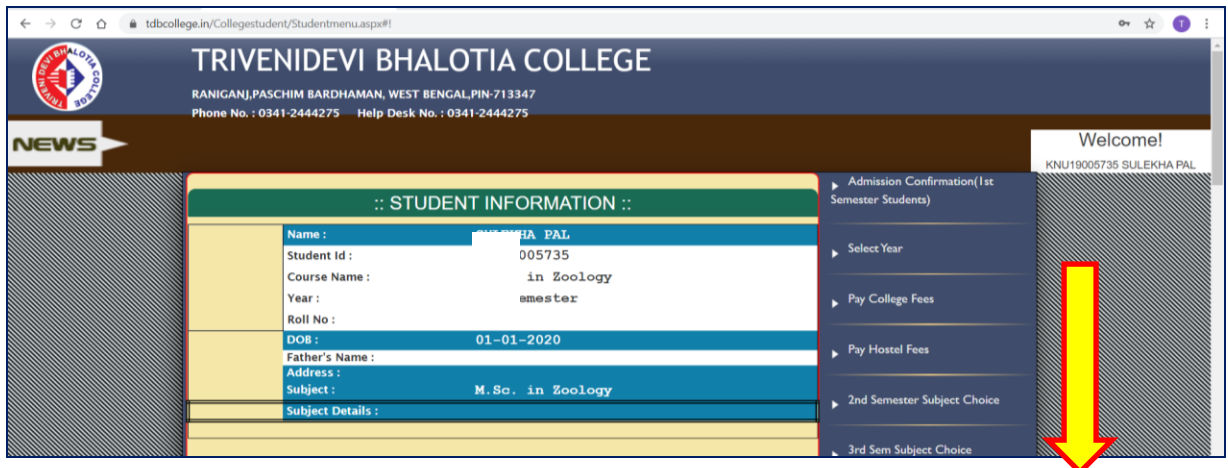

- 1) Enter into TDB College website [ URL: [www.tdbcollege.ac.in](http://www.tdbcollege.ac.in)]
- 2) On the upper right side of the TDBC Home page click as follows:  
**Links >> Student Login**

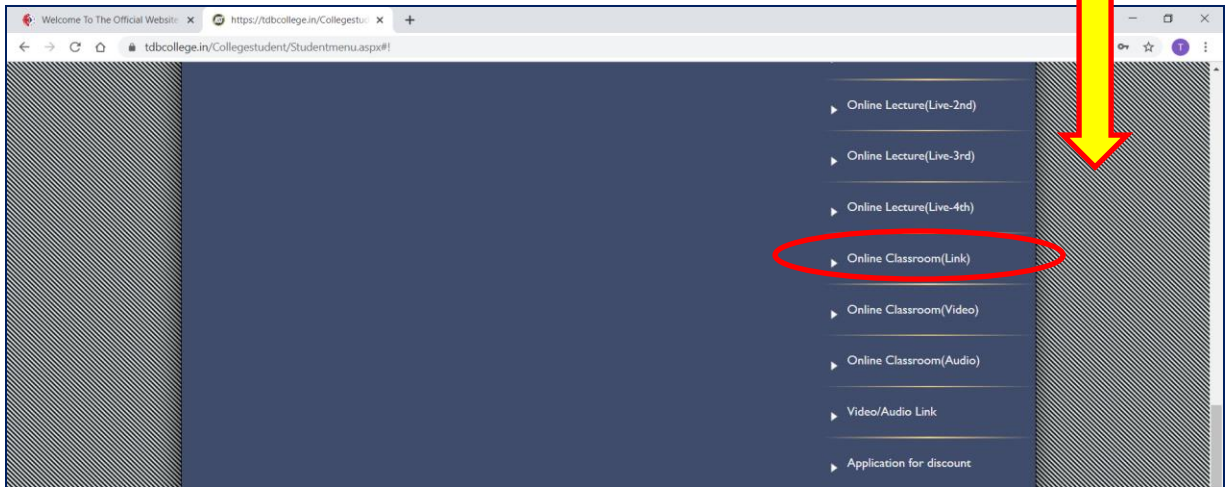

- 3) A new page will open (as below). Fill your **User Name & Password**. Finally click **Login**.

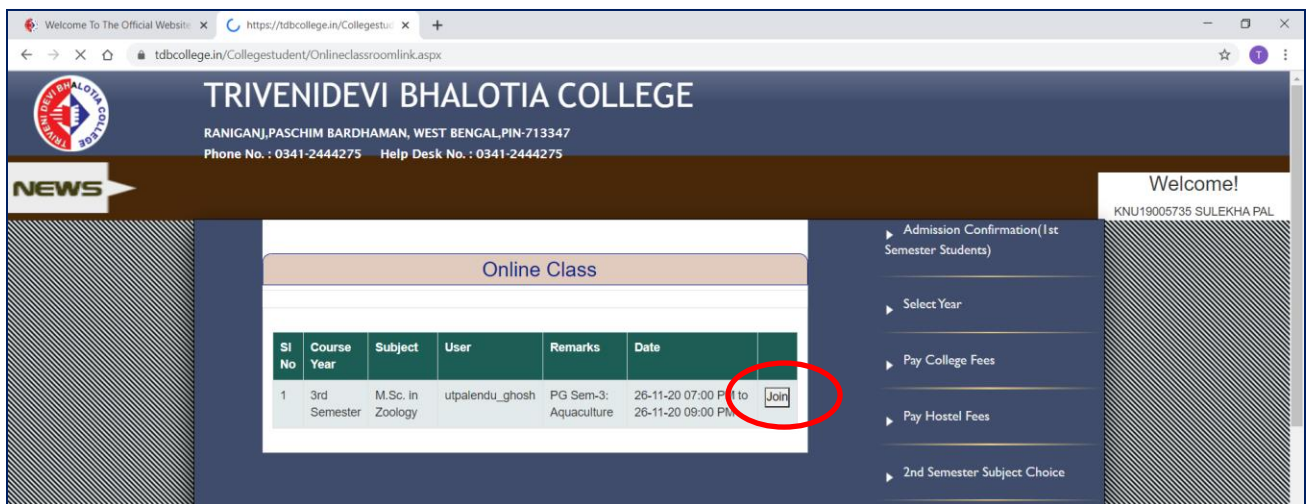

- 4) A new page will open (as below). You will find your **Student Information** here. Next drag down the page to find **Online Classroom(Link)** on the right side blue panel.

5) On clicking **Online Classroom(Link)** a new page will appear (as below). This page will show the details of your **Online Class**.

6) Find the **Join** button on the right side of the **Online Class** tab and click it on/from the date and time mentioned. You will be redirected to third party platform [such as Google Meet/ Zoom/ CiscoWebex etc]. There you can join the class.

**NOTE:**

1) Please be sure that you should join to any online class only through our TDB College portal (as mentioned above). Don't ask you Teacher for any Link/Code to join the class directly . If you do so then your attendance will not be recorded.

2) Every time you leave or re-enter the class (due to any network problem or intentional means etc), the exact time & date will be recorded.

3) For any difficulty students may ask/report their Teachers for help.
